DD/S&T - BUDGETING

DD/S&T 1368-63

12 Sept 1963

[] to DDS&T

25X1

The effect of funds reduction on FY 1964 office programs for DDS&T reflects underfunding for FY 1964 of [] Stated requirements against which the reduced allowances were authorized did not include any provision for MISTIC or personnel increases.

The effect, in general,

- a. No current major program supported by DDS&T efforts will have to be deferred or cancelled although each activity must expect something less ...
- b. A less vigorous advance research program in OEL and ORD may require postponement in utilization of some advanced techniques.
- c. Long-range development planning must be revised to accommodate fund cut.
- d. Lab instrumentation can only be partially accomplished.
